*Derrick Henderson*

9/23/65 — 5/4/21

We are deeply saddened by the sudden loss of Derrick Henderson from our Charlotte terminal. Derrick had been a part of our family for four years. He was a godly man who loved his family and he was an exemplary employee during his time with us. He will be greatly missed by us all. Rest in peace, dear friend.

Wow, Summer time is here! What a wild May this has turned out to be. 2021 has been nothing short of a roller coaster ride thus far. I cannot begin to tell you how proud I am of this company and our entire Seale family over this crazy few months. Our core customers, even several new ones, have been nothing but thankful for the job each and everyone of you have done.

With that being said, this is most definitely not the time to back off or slow down. JH Seale is establishing substantial growth during unprecedented times. I urge everyone reading this to talk to your fellow fuel haulers and work on bringing them in. We need drivers in every market! Our greatest recruiters are the ones who do the job for us! Please be safe out there and if you can assist with an extra day let us know! God bless each of you and your families. Thank you for the job everyone continues to do.
